

Consumers Bill of Rights

Your Rights to Personalize Your Vehicle

ARTICLE ONE: You have the Right to buy high-quality, reliable aftermarket performance and specialty parts, accessories and styling options.

ARTICLE TWO: You have the Right to use high-quality aftermarket parts and know that your new car warranty claims will be honored. In fact, your vehicle dealer may not reject a warranty claim simply because an aftermarket product is present. A warranty denial under such circumstances may be proper only if an aftermarket part caused the failure being claimed.

ARTICLE THREE: You have the Right to install and use emissions-legal aftermarket performance parts without incurring hassles and onerous procedures during state and vehicle emissions testing.

ARTICLE FOUR: You have the Right to actively oppose any proposed (or existing) laws or regulations that will reduce your freedom to use aftermarket automotive parts and service or will curtail your ability to take part in the automotive hobbies of your choice.

ARTICLE FIVE: You have the Right to patronize independent retail stores and shops for vehicle parts and service. The U.S. aftermarket offers the world's finest selection of performance and specialty parts, accessories and styling options. These aftermarket products satisfy the most discriminating customers seeking personalized vehicles for today's lifestyle.
